## BUHL LIGHT PARADE SATURDAY, DECEMBER 7

The MVATVR club really made a statement at the Annual Buhl Light Parade. Our club won the 2013 Night Light Parade Civic/Adult Award for best light display in the parade! Congratulations to those who participated in the parade.

There were 12 - 13 lit up quads and 1 pickup with lit up quads on a rack in the parade from our club. It was a toasty 13 degrees with a wind chill factor. There were approximately 30 club members and families in attendance at the Buhl First Christian Church for Christmas goodies and finger food following the conclusion of the parade. Everyone seemed to enjoy themselves that evening, even in the cold weather.

Thank you to all the folks that helped Dixie with the food at the church after the parade!

# MVATVR TECHNOLOGY SEMINAR

BY: FRANK STONE

The MVATVR held its first technology seminar on December 14th to discuss GPS, computer, Internet, and software related questions. With seventeen members in attendance, the evening started off with everyone having a great selection of pizza, salad and drinks. Both Aaron Larson and Frank Stone presented a wide range of material from the use of tablets and geographic mapping applications, setting up your handheld GPS to log tracks, using Garmin's traceback feature, importing/exporting GPS tracks, personal

locator beacons, enhancing your pictures with image editing software, locating on-line training opportunities, and using BaseCamp to better manage your GPS tracks and pictures. Aaron also disclosed his TOP SECRET project (Visual Rides) he has been working on to map the ATV trails within the South Hills. For more information on this outstanding effort, be sure to visit Aaron's website at <http://www.visualrides.com>.

A very special "Thank You" to the great staff at Idaho Pizza for allowing us to use their banquet room for this seminar.
